Course Announcement

Rail Safety for Emergency Responders (RSER)
Your Safety 1st

**WHEN: July 23, 24 and 25, 2013 at
Five Aroostook County Locations (see below)**

This course is designed to provide emergency responders critical information to prepare them for responding to a railroad incident, including: safe response; knowledge of railroad electrical, fuel, and air systems; hazardous materials; identifying rolling stock; pinch points; stopping a train; high/low pressure tank cars; and other on-scene dangers. In addition the course will cover Locomotive Emergency Response operations, approaching the scene, entering a locomotive, and proper extrication techniques. It also brings a clearer understanding of the difficulties associated with any railroad related response and investigating.

This basic 4 hour course is free and all levels of fire department and emergency response personnel including DEP, EPA, police and other emergency response agencies are encouraged to attend.

Locations:

July 23, 2013

1230-1630 hrs. Houlton FD, 99 Military St, Houlton

1800-2200 hrs. Island Fall Town Office, 68 Houlton Rd, Island Falls
